EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Mr. Szuwalsk on March 17, 2005.

The application has been amended as follows:

Claim 1, lines 3 and 4, cancel "such as homes";

Claim 19, line 4, insert --an-- after "energy consumption";

Claim 19, line 9, change "of" to --by--;

Claim 20, line 4, delete "with";

Claim 20, line 5, delete "data".

Allowable Subject Matter

2. Claims 1-25 are allowed.

The following is an examiner's statement of reasons for allowance:

The allowability of the independent claim 1 resides, at least in part, in that closest prior art of record Lof et al. (U. S. Patent 6,671,585) does not disclose or suggest, alone or in combination, centralized distributed energy management means centralized information transmission means which transmits control signal to the

distributed information transmission means by remote satellite broadcasting, in combination with the other elements and features of the claimed invention.

The allowability of the independent claim 19 resides, at least in part, in that closest prior art of record Lof et al. (U. S. Patent 6,671,585) does not disclose or suggest, alone or in combination, modem located at energy consumption location, the modem receiving the wirelessly transmitted energy management control signals; an energy regulation controller also located at the energy consumption location and connected to the modem, the energy regulation controller operating in response to modem received energy management control signal to regulate consumption of energy consuming device located within the energy consumption location, in combination with the other elements and features of the claimed invention.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Conclusion

3. The prior art made of record and not relied upon is considered pertinent to applicant's disclosure
